MATERIAL
N/P 465 D PU coated, P600 D PU coated, 3D Air Mesh, Air Mesh, AIRO FLEX

The EXPLORER PRO 30L is a versatile touring backpack for unlimited bike adventures.

With enough room for storage and a dialed compartment management everything you'd need on tour has its space, exactly where you need it. The AIR FLOW CONTACT SYSTEM offers an outstanding carrying comfort through maximum back ventilation and absolute load neutrality.

- Neutral load transmission "Body Hugging"
- Extra wide Hip wings with large zipper compartments
- Roll-Bottom for internal separation or volume adjustment
- Including separate Wash Pouch

30 l, 1350 g, 27 x 53 x 19 cm
